

**NEW
FOR 2013!**

Even more ways to recycle at your **SORT IT!*** Centre!

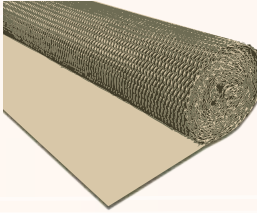

To help further increase the amount of material South Gloucestershire residents can divert from landfill, South Gloucestershire Council and SITA UK have introduced facilities to recycle even more materials on site.

These include:

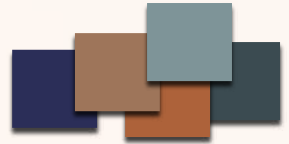

✓ Carpet

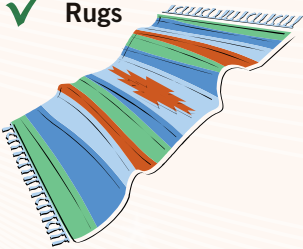

✓ Underlay

✓ Carpet Tiles

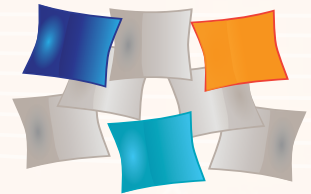

✓ Rugs

✓ Duvets and Pillows

✓ Furniture Cushions

For more information on the range of materials you can recycle at your local SORT IT!* Centre, please visit www.southglos.gov.uk, call 01454 868000 or pick up a "Your Local SORT IT!* Centre" leaflet on site.

**No waste or recycling produced from commercial activities
will be accepted at any of the SORT IT!* Centres.**
