- 1 Turn right out of car park. Follow road round to left and continue until roundabout.
- 2 After roundabout take a path on the left adjacent to the road. At end of path turn left onto bridleway and follow to end.
- 3 At road turn right and at bottom of hill turn left into a bridleway with a ford. Follow to end, then follow road through farm turning right at end.
- 4 After $\frac{3}{4}$ mile, pass Gatherham Farm and turn left into bridleway, Cleeve Lane. **Take note of quarry blasting times. Wick Quarry is a working quarry.** Go steeply down hill crossing old packhorse bridge at bottom and then up hill to a gate into field. Keep to right hand hedge, turning right to reach a gate in corner of field out onto road, Bury Lane. Turn left and follow road for two miles passing through Doynton village towards Dyrham.
- 5 After two miles take bridleway on left just past a footpath sign also to left. After crossing over a sleeper bridge follow bridleway to right alongside the River Boyd keeping to the right hand edge of the fields. After passing through several gates, including a double set, the bridleway comes to Feltham Road. Cross the road continuing along the bridleway alongside the river.
- 6 After three fields, turn left into a track, Burbarrow Lane. Follow the track up hill to find a bridleway on the left leading down across a field. Follow this bridleway along a track to Lower Fields Farm.
- 7 At the road turn right. In $1\frac{1}{2}$ miles you will reach Pucklechurch. Turn right to return to start.
