

## **REDWICK TRAFFIC LIGHTS DAYTIME CLOSURES SUNDAY 10<sup>TH</sup> AND 17<sup>TH</sup> APRIL**

### **CHALLENGE FUND PROJECT A403 SEVERN ROAD MAJOR MAINTENANCE WORKS**

Further to the email of 1<sup>st</sup> April 2016, this is to remind you of the road closure at Pilning Lights/Redwick Road this Sunday the 10<sup>th</sup> and also the 17<sup>th</sup> April.

The works involve full daytime closure of the road at the traffic light junction. Traffic will not be able to travel completely north or south along the A403 due to the road closure at the traffic lights. Also traffic will not be able to exit onto the A403 from Redwick Road or turn into Redwick Road from the A403. Closure will be between 07:30 and 18:00 hours. The work is subject to the weather conditions.

The traffic lights are situated at Site E on the previous circulated plan and the official diversion routes while the works are undertaken are also as previously circulated. They are also available on the Challenge Fund website below.

Every effort is made to ensure the road will reopen at 18:00 hours, but this may be delayed due to weather condition, the condition of the road when excavated or material delivery and your patience is appreciated under these circumstances.

You can also refer to the Council's website for this scheme:-

<http://www.southglos.gov.uk/transport-and-streets/challenge-fund>.

You will find background information to the project, a Frequently Asked Questions response and an opportunity to access social media sites for regular project updates.

We understand this may cause some inconvenience and disruption to you, and we would like to apologise in advance and kindly ask for your patience whilst the works are taking place.

In the meantime, if you have any queries please do not hesitate to contact Michael Dixon on 01454 868000 or by using this email address.
