

INFORMATION LEAFLET – PEDESTRIAN ACCESS TO SORT IT!* CENTRES

SITA South Gloucestershire in partnership with South Gloucestershire Council recognises the need to allow those residents, unable to travel to a site in a vehicle, access to the SORT IT!* Centres from time to time.

We operate a '**Pedestrian's Appointment System**', to allow residents the use of the SORT IT!* Centres, without compromising their health and safety on site. The procedure is as follows:-

PROCEDURE:

- Firstly you **must** contact the relevant Sort It!* Centre to arrange an appropriate day / time for you to visit the site to deliver any items.

Yate Sort It!* Centre	01454 315508
Mangotsfield Sort It!* Centre	01179 562086
Thornbury Sort It!* Centre	01454 417582
Stoke Gifford Sort It!* Centre	01454 616028

- Items can only be accepted between 15:00hr & 16:15hrs Monday to Friday.
- You will be greeted at the entrance to the site by a site operative.
- For safety reasons you must **not** at any time enter the site on foot but wait at the entrance until a site operative greets you.
- Waste must, where possible, be separated into recyclables and residual waste, presented in a safe manner, preferably in a bag/container and handed to a site operative.

CONDITIONS

This procedure is not for people who have travelled by car and who are queuing to get into a Centre. If travelling by car, you must queue sensibly and follow the site procedures for motor vehicles. If these procedures are not followed you risk being banned from all the sites in South Gloucestershire.

Any waste left at the entrance to the site will be considered to be fly tipping and will result in enforcement action being taken against you.

Thank you for your co-operation in following the above procedures.

If you require any further information please call 01454 868000
