

## Three - Annual Network Update Plans Spreadsheet 2015 - 2016

**Operator Definitions:**

**Three - a site operated by Three only**  
**Three & EE- a consolidated site operated jointly by Three and EE Limited**

Please note that consolidated sites are shown on both Three and EE's 2015 - 2016 Annual Network Update Plans. EE Limited (T-Mobile & ex Orange) and Three, through their joint venture company, Mobile Broadband Network Ltd (MBNL) has consolidated their 3G networks. This has resulted in the joint use of existing base station site infrastructure & hardware which results in one set of equipment on site and is enabling the reduction of duplicate sites.
