

# Pharmacy Sexual Health Services in South Gloucestershire

Pharmacists / Pharmacies are listed geographically and all accredited to provide;

- Emergency Hormonal Contraception (Levonorgestrel) up to 96hrs
- The treatment of diagnosed asymptomatic Chlamydia with a reference number from the Avon Chlamydia Screening Office

These Pharmacies are also able to provide;

- Chlamydia screening kits

If a young person needs emergency contraception and is not sure where they can go, they can text: pharmacy [space] EHC [space] and their full postcode to 80011. They will then receive a message back instantly containing the details of the nearest 3 pharmacies that are able to provide free emergency contraception.

Please remind all young people, especially those under 16, that these services are FREE\* and confidential and that their details won't be shared with their Doctor, parents or carers.

If a young person attends a pharmacy that is unable to provide FREE emergency contraception they are required to tell the young person where the nearest pharmacy, Clinic or health centre is where they can get it free.
