

Spring Clean 2018

South Gloucestershire communities will once again come together to take part in the annual Spring Clean campaign. Last year, friends groups, resident associations, schools, church groups, town and parish councils, brownies/guides and scout groups, youth and community groups, StreetCare office staff and local councillors all took part in the campaign to improve their local environment.

Free gloves and refuse bags will be available and groups can borrow litter pickers and hoops. However, please be aware that we only have a limited number of litter pickers and hoops, which will be allocated on a first come, first served basis.

To register your interest please complete the following form and return it to us as soon as possible to ensure we can accommodate your request.

The environmental charity Keep Britain Tidy is also running a national Spring Clean campaign during the weekend of 2-4 March and you may wish to register your event with them as well.

Disposing of waste from your Spring Clean

If you have the resources yourself, you can take your filled refuse bags to your local Sort It centre. It's much easier to separate recyclable and non-recyclable litter into different sacks during your tidy up rather than after. Please request some clear plastic bags to separate cans and plastic bottles for recycling. For more information about recycling please visit www.southglos.gov.uk/sortit

Alternatively you can arrange for South Gloucestershire Council's street cleansing team to collect the sealed bags from your Spring Clean event. You will need to agree a time and location with the council for the removal of rubbish collected prior to your event. This information can be included on this booking form or by emailing streetcleansing@southglos.gov.uk

Further information

Please visit the council website for further information on the Spring Clean. www.southglos.gov.uk/bigspringclean

If you require further assistance, please contact StreetCare on 01454 868000 or email streetcleansing@southglos.gov.uk
