Dear Recycling Centre User,

We will soon be making some improvements to the Stoke Gifford SORT IT!* Centre, which means that we will need to close it between **Monday 4th February and Sunday 17th February 2013** inclusive¹.

We are sure that you will be pleased with the improved facilities which will include the introduction of pedestrian walkways with handrails and allow for the removal of steps to containers. The access road will also be resurfaced to provide a smoother drive in.

By closing the site we can ensure that the works are carried out efficiently and in a carefully controlled environment. We are providing advance notice of the closure in a number of ways and we hope that this will minimise wasted journeys to the centre while the works are carried out.

If you need to visit a **SORT IT!* Centre** between the **4th and 17th February** then you will be welcome at any of the other three centres in South Gloucestershire which will be open daily from 8.00am – 4.30pm.
