

Let's talk about
SEND and Inclusion

Get involved in developing our **SEND** strategy

Do you have an interest in the needs of children, young people and young adults with **Special Educational Needs and/or Disabilities (SEND)** in **South Gloucestershire**?

If the answer is yes, we want you to join us at one of our engagement events running this autumn.

Take part - your opinion matters

Who should attend?

Anyone with an interest in making a positive difference to children, young people and young adults with **SEND** and their families.

You might be a **parent/carer**, **work in education health or social care**, be a **voluntary sector provider**, or **live or work in South Gloucestershire**.

Co-producing our **SEND Strategy**

Through the work we have done so far and listening to people's views:

- We are gaining a better understanding of the challenges and priorities for everyone involved in this important work
- We know that working collaboratively is vital.

We now need your help to co-produce our SEND Strategy. This work is the next step in helping us to focus on what really matters.

These events are jointly facilitated by
South Glos Parents and Carers (South Gloucestershire's Parent Carer Forum),
South Gloucestershire Council and an **independent facilitator** from outside the area.

This is an important opportunity to have your say, so that together we can identify our vision, set our priorities and shape the way that we provide SEND support and that we empower parents/carers to support their children.
