

Annual Report – Special Responsibilities

(Under the South Gloucestershire Scheme of Members' Allowances, certain councillors who perform significant responsibilities over and above those of other councillors are entitled to receive additional allowances to recognise those extra responsibilities. The Scheme requires councillors in receipt of such allowances to report on their actions. This report is published on the Council's website).

Position held: Lead Member for Resources.

A general outline of the special responsibilities you perform

For the few weeks of the reporting year that this committee and my position on it existed (April – mid-May 2017) I continued to scrutinise and question reports, senior officers and decision makers. As Lead Member during this short period I communicated information to my political group and represented it at the committee and in briefings. The committee and my position on it were abolished by the ruling party in mid-May 2017.
