The table above shows current affordable housing developments in South Glos. Please be aware that these homes are not available yet. If you are interested in any of these properties you must be registered on the Council's housing register in order to bid for them when they are advertised. Please see the HomeChoice Policy for information about how these properties are allocated. For further information about any of the specific schemes please contact the Housing Association direct. If you are interested in any of the Low Cost Home Ownership (e.g. shared ownership) properties on any of the schemes please see our LCHO page for further information about how to register.
