

## **South Gloucestershire Heritage Partnership Meeting**

**30<sup>th</sup> March 2022 10.00 – 12.10**

**Online using Microsoft Teams**

This meeting will feature contrasting heritage developments at Brandy Bottom Colliery and Aerospace Bristol and the River Frome Reconnected Project.

After the break, there will be an update on the Indian Stories Heritage Project and Know Your Place.

This is an opportunity for you to hear about exciting local projects and examples of good practise, join in with the question-and-answer sessions and share your heritage project through giving an update at the end.

**10.00 Introductions**

**10.10 An introduction to the River Frome Reconnected Project.** Heritage elements including discussion around fish passage on the Bristol Frome. Liz Kinsey, Project Officer

**10.35 Aerospace Bristol: Developing a Conservation workshop.** The development of a listed aircraft hangar into a functioning conservation and Restoration workshop, allowing new projects to be undertaken. Stefanie Vincent, Collections Manager

**11.00 Break**

**11.10 Brandy Bottom: Recent Developments and Plans for the site.** Hamish Orr-Ewing, Avon Industrial Buildings Trust

**11.35 Stories from the South Gloucestershire Indian Community Project** Jane Marley, Museums and Heritage Officer, South Gloucestershire Council

**11.45 Progress from Discussion at the last meeting: Project Updates. Topic for next meeting.**

**12.10 End.**
