

# Annual Report – Special Responsibilities

(Under the South Gloucestershire Scheme of Members' Allowances, certain councillors who perform significant responsibilities over and above those of other councillors are entitled to receive additional allowances to recognise those extra responsibilities. The Scheme requires councillors in receipt of such allowances to report on their actions. This report is published on the Council's website).

**Report for period: 2017-18** .....

**Name: Councillor Andy Perkins** .....

**Position held: Labour Lead Member for Adults and Housing** .....

## A general outline of the special responsibilities you perform

To act as the Labour Group's Lead member on issues relating to Adults Social Services, Housing (not strategic) and Public Health  
To act as spokesperson / representative for the Group on the above  
To be the Group's point of contact when working with the Director of CAH  
To work with other Groups' Lead members within the Council.  
To co-ordinate a Group response on issues relating to the above when the Group feels that a group-level response is required.

## Key Milestones/Achievements during the reporting Period

Due to the abolition of the committee system of decision-making, my role became redundant mid May 2017. This report, therefore, covers around a fortnight at the beginning of May.

What little time there was during May was spent with what you might call 'handing-over' to those within my Group who now lead on the matters which I previously led on. From what I can recollect there was no 'interaction' with officers or Lead members from other Groups during this period.
