

Member Awarded Funding

THE FRIENDS OF KINGSWOOD PARK – THE SPRINGSWOOD PROJECT

MEMBER AWARDED FUNDING | CASE STUDY

The Friends of Kingswood Park received £3,433 from the Council's Member Awarding Funding scheme for its Springwood Project in 2017/2018. With the funding the group revived neglected flower beds and installed floral displays along Regent Street and the surrounding area to help bring nature and colour to the area.

The renovation of existing flower beds and installation of new planters has made Kingswood town centre a more pleasant place to live, shop and work.

The Friends of Kingswood Park carried out this work with help and support from community volunteers.

The main aim of the group is to promote the enhancement and use of Kingswood Park by involving residents in events and volunteering activities.

The group also worked with the Kingswood History Society and the Council to maintain heritage features in the Park. While the group's primary work is to improve the Park, this project helped to promote a sense of pride and improved the local area for residents and visitors.

SUCCESS FOR KINGSWOOD IN BRITAIN IN BLOOM 2018

As a result of the dedication of volunteers, the Friends of Kingswood Park were pleased to receive a Britain in Bloom award from the Royal Horticultural Society for their work in Kingswood town centre.
