# Looking after yourself

## Get active

You do not have to go to the gym. Take a walk, go cycling or play a game of football. Find the activity that you enjoy and make it a part of your life.

## Connect with others

Connect with the people around you: your family, friends, colleagues and neighbours. Spend time developing these relationships.

## Keep learning

Learning new skills can give you a sense of achievement and a new confidence. So why not sign up for that cooking course, start learning to play a musical instrument or figure out how to fix your bike?

## Be aware of yourself and the world

Be more aware of the present moment, including your feelings and thoughts, your body and the world around you. You can positively change the way you feel about life and how you approach challenges.

## Give to others

Even the smallest act can count, whether it is a smile, a thank you or a kind word. Larger acts, such as volunteering at your local community centre, can improve your mental wellbeing and help you build new social networks.

## South Gloucestershire's Talking Therapies

Many people go through periods of difficulty in their lives which can leave them feeling stressed, anxious, depressed or unable to cope. Sometimes talking about these problems can help. The first step to seeking help could be to discuss them with your GP. Alternatively you could refer yourself directly to the Wellbeing Service. Their practitioners can help you find ways of talking or coping with your problems.

# Alzheimer's Society

## Who are we?

We are the UK's leading dementia support and research charity, here for anyone affected by any type of dementia.

## What do we do?

We are here for anyone worried about or affected by any type of dementia. We provide information and support, fund medical and social research, and campaign for a better quality of life for people with dementia and greater understanding of the condition.

Everything we do is guided by the things people affected by dementia have said they want to see in their lives.

## Information and advice

We are the first point of contact for anyone dealing with dementia - whether you are worried about dementia or have it yourself, are a family member or carer, or a health or social care professional. We can provide information and signposting to services that can help.

We have a National Dementia Helpline. We provide comprehensive, reliable and up-to-date information about dementia to help people to understand it and empower people to live well with it. We also have an online support and discussion forum, Talking Point. This can be found by visiting our website.

## Care and support

We provide services across South Gloucestershire these include dementia support workers, dementia cafes, day support for younger people with dementia, support and activity groups, and Singing for the Brain groups.

## Research

We are dedicated to defeating dementia through pioneering research, and fund an innovative programme of research into the cause, cure, care and prevention of dementia. One distinctive feature of our ground-breaking research programme is the integral involvement of people with early-stage dementia and carers. As part of our Research Network, volunteers with direct experience of living with dementia inform our research priorities.

## Services for people with any type of dementia and their families

- **Dementia Support Worker:** a one to one contact service which provides support to people with dementia and their carers/families, helping them to maintain their independence, improve their wellbeing and keep control of their lives.
- **Day Support Service:** a day support service for younger people with dementia (under 70 years) which provides the opportunity to socialise with

other people with dementia whilst pursuing hobbies and interests. Following assessment the service will also provide a level of personal care.

- **Activity Groups:** regular social activity sessions, including working with visiting artists, are held at Filton. These sessions also enable people with dementia and their carers to share concerns, experiences and coping mechanisms in a safe, friendly environment.
- **Sports and Social Club:** weekly groups for people with dementia which offer the opportunity to enjoy a range of sports and social activities and a safe place to form new friendships, share experiences and coping mechanisms.
- **Memory Cafés:** these provide a relaxed environment for people with dementia and their families to meet and socialise. They provide practical information and support, as well as the opportunity for people to ask questions and to listen to others' experience. They also provide an informal and social environment in which to learn new skills, enjoy activities, listen to guest speakers and make new friends.

The Alzheimer's Society organises the following memory cafés:

#### **Hanham Memory Cafe**

The Hanham Memory Café is open from 6.30pm – 8.30pm on the fourth Tuesday of every month, and is held at the Hanham Community Centre, 124 High Street, Hanham, BS15 3EJ.

#### **Winterbourne Memory Cafe**

The Winterbourne Memory Café is open from 2pm – 4pm on the first Monday of every month (apart from bank holidays), and is held at the Greenfield Centre, Park Avenue, Winterbourne, BS36 1NJ.

#### **Yate Memory Café**

The Yate Memory Café is run and hosted by the Alzheimer's Society with support from Yate Library. The café meets on the last Thursday of the month from 2.30 pm to 4.30 pm. New attendees are very welcome to just turn up, or contact the library for more information on 01454 868006.

#### **Filton Memory Café**

The Filton memory Café is run and hosted by the Alzheimer's Society with support from Filton Library. The café meets on the third Friday of every month from 10.00am to 12 noon. New attendees are very welcome to just turn up, or contact the library for more information on 01454 868006.

#### **Emersons Green**

The Emersons Green Café runs every second Thursday of the month, from 2.30pm to 4.30pm, and is held at Emersons Green Library, Emerson Way, Emersons Green BS16 7AP. You will meet friendly and supportive people affected by dementia and can spend time sharing information and experiences. Alzheimer's Society staff and volunteers will be available to give you support, provide you with information and offer refreshments. There'll be tea, coffee, soft cold drinks and cakes and a range of activities. Although the café is run by Alzheimer's Society it is equally suitable for

people with other forms of dementia. The library will be open as usual so you can also take the opportunity to borrow books or DVDs, use the computers free of charge, and find out about library services.

If you'd like to find out more about these memory cafés, contact your local Alzheimer's Society on 0117 961 0693 or [bristol@alzheimers.org.uk](mailto:bristol@alzheimers.org.uk)

- **Singing for the Brain®:** these sessions, for people with dementia and their carers, bring people together to sing in a friendly and stimulating environment. The groups are led by trained facilitators.
- **Carer Support Groups:** these are monthly support for the carers of people with dementia, led by experienced facilitators. They provide carers with the opportunity to discuss, amongst other things, the diagnosis of dementia and its impact on them.
- **Talking point:** Alzheimer's Society's online discussion forum for anyone affected by dementia. It is a place to ask for advice, share information, join in discussions and feel supported. <http://forum.alzheimers.org.uk/>

To know more about any of their services:

Phone: **0117 961 0693** (between 09:00 am and 2.00 pm Monday to Friday with an answer phone outside these hours).

**0300 222 1122 (National Dementia Helpline)** calls are charged the same as the national rate to 01 and 02 numbers).

## Age UK, South Gloucestershire

An independent local charity that is part of the 'Age UK family', committed to enabling older people to have the best possible experience of later life and we deliver a range of services and resources either locally or nationally to achieve this.

### Activity Day Clubs

Door-to-door accompanied transport to a choice of four weekly clubs in a "day centre" setting at two locations: Filton and Kingswood (other areas are under consideration, so please check if you are interested.)

A typical day contains opportunities for a variety of fun and activities such as singing and playing percussion instruments, quizzes, exercises to music, art & craft, bingo, Nintendo Wii games, memory boxes, entertainment and occasional outings as well as times of quieter conversation and one-to-one support. We can cater for people with dementia within our mixed group of service users. We will be happy to discuss you attending a 'taster session' so you can experience the service and meet other service users and staff team. Half day packages can also be booked (subject to availability) and a reduced rate applies if no transport is required.

### Benefits advice

Specialist advice is available and we can help you submit a claim if appropriate.

N.B. Some welfare benefits are **not** affected by your savings or income.

### Will writing service / Lasting Powers of Attorney

Age UK has arranged this service (delivered by Wards solicitors) to be available free of charge (with an optional donation). Appointments are currently offered at monthly sessions. We also have our own staff who can help with basic lasting powers of attorney. Please contact us to check appointment availability for either of these services.

Other services:

- We also offer a range of other services from nail cutting to hearing aids and from a Tradespersons' Register to Befriending services.
- Information and resources from Age UK: a range of practical guides are available from our Thornbury office, the Kingswood shop or by download from our website. They cover a range of subjects that are either directly or indirectly linked to dementia: Caring for someone with dementia, Living with early-stage dementia, Attendance Allowance, Carers' Allowance, and many more.

## ExtraCare housing -South Gloucestershire Council

### How the service is delivered

When you move into ExtraCare housing, a care and support plan will be drawn up with you detailing the type, range and level of any care and support you can expect to have. The plan will set out what support and care you require from scheme staff as well as from other agencies. It will also give other information such as who should be contacted or informed if you are unwell.

On site care and support staff will arrange to review your care and support plan with you after a settling in period to ensure your needs are being met appropriately. Reviews will then take place at regular intervals. Should you or the care and support team feel that your needs have significantly changed before that time, your plan can be reviewed accordingly.

### The cost of ExtraCare housing

- The cost of buying or renting your home,
- The service charges associated with your home for maintenance and any communal facilities, as well as utilities like electric and water,
- Your care and support costs.

The amount you will pay will vary depending on your individual situation and your income. You may have to pay all of the costs or you may be entitled to benefits to cover some or all of the charges.

## Your local library

**Reading Well Books on Prescription for Dementia** recommends books you might find helpful if you have dementia, are caring for someone with dementia or would like to find out more about the condition.

The books provide information and advice, support for living well, advice for relatives and carers, and personal stories.

The books are available for an extended loan period of 6 weeks; if the book you want is unavailable you can reserve it free of charge.

Some libraries also have Memory Cafés.

You can join a library at any age and membership is free. You will be able to use your library card at any South Gloucestershire library, mobile library and for access to online resources too.

Phone: **01454 868006** (For more information about your local library and services it offers)

## How your GP can help

See your GP for a health assessment, to review medication and refer if appropriate to other services, such as:

- Dieticians (dietary advice and nutritional support)
  - District Nurse (home visits to meet any short and long term needs)
  - Audiologist (hearing loss may contribute to increased isolation)
  - Physiotherapist (improved mobility will help you get about)
  - Podiatry (good foot care leads to reduced pain and increased mobility)
  - Primary Care Liaison (specialist mental health advice and support).
- 

## Advocacy at The Care Forum

Advocacy supports people, in partnership, to express their views and wishes and understand their rights. An advocate can assist if you:

- have a social care concern and need support to talk with South Gloucestershire Social Services,
- are detained under the Mental Health Act or Mental Capacity Act and would like to understand your rights,
- would like to make a complaint to Social Services,
- would like to make a complaint to the NHS.

# Listening to you

## Healthwatch South Gloucestershire

Healthwatch South Gloucestershire is working towards a society in which people's health and social care needs are heard, understood and met.

Healthwatch South Gloucestershire is independent:

- acting on behalf of all consumers.
- listening to consumers and speaking loudly on their behalf.
- challenging those in power to design and deliver better health and social care services.
- highlighting what works well but not being afraid to point out when things have gone wrong.

Healthwatch South Gloucestershire learns from people's experiences and from specialists and experts. If you would like to tell us your story and experiences of health and social care services in South Gloucestershire, please contact us.

Phone: **01454 543 402**
