# 4U

## SHARING INFORMATION ABOUT YOU

It may be helpful to share information about you with other people who support you.

## Sharing information about you

Choices 4 U has information about you when you find out about our service and when you use our service. If you are happy we may share information about you with other people who work with you.

## The information we could share:

- Your name so people know what to call you

- Your address so they can write to you

- Your telephone number so they can speak to you about your needs

- The care and support you need so people know how to support you

# Sharing information about you
