Independent Living Services

At PeoplePlus we are committed to providing you with a high quality service, giving you all of the advice, information and support you need to manage your own care needs.

A full range of services are available, including trained Advisors who will visit you at home, or place of your choice, to develop the support package.

We believe that working in partnership with you is the key to developing a service package that meets your specific needs and helps you live an independent and inclusive life.

We believe the better informed you are, the easier it will be for you to make decisions and take control of your care.

Our track record

We have a 10 year history of working with people who require support and assistance to manage their care needs.

We have experience and knowledge of the law and legislation for employing individuals and sourcing the right agency to work with your specific needs.

We support people with all aspects of recruiting their own carer and can also provide a payroll service to ensure all HMRC and employment law requirements are met.

Our services and support

- **Direct payments**

As an independent provider of direct payments services in the UK, you can trust us to deliver a reliable, personalised service to help you manage your incoming payments.

- **Payroll**

We can manage all payroll responsibilities for you or simply help with smaller tasks such as: calculating employee's wages, tax, National Insurance contributions, pension auto enrolment and end of year calculations.

- **Managed accounts**

Our managed account service simplifies the financial aspects of receiving funding and reduces the paperwork you have to complete. We take care of all outgoing transactions and reporting.

- **Personal & health budgets**

Our person-centred planning service empowers and gives you choice and control over how to manage your budgets.

- **Employment & recruitment**

We support you in understanding the roles and responsibilities of being an employer, and assist every step of the way in choosing and recruiting personal assistants.

Get in touch

If you would like to know more about the services and support we can offer, including our payroll services, recruitment assistance and our fully managed accounts then please do not hesitate to contact us.

Once you have let us know you would like to use our service we will get in touch within 3 working days. We will then visit you to discuss your requirements within 7 working days.

We are always keen to hear about your experiences of the service we provide. We will send out surveys regularly so you can tell us how we are doing.
