

# Annual Report – Special Responsibilities

(Under the South Gloucestershire Scheme of Members' Allowances, certain councillors who perform significant responsibilities over and above those of other councillors are entitled to receive additional allowances to recognise those extra responsibilities. The Scheme requires councillors in receipt of such allowances to report on their actions. This report is published on the Council's website).

--

## **What “added value” to the local community have you been able to achieve through your special responsibilities?**

Ensure that local communities get value for money for their services  
Encourage and advance plans and schemes which directly improve local residents quality of life, by reducing congestion, improving public transport and improving road network quality  
Representing the council and department in communicating strategy and delivery to local communities and media and assisting in resolving disputes  
Attend local community meetings with residents and action groups to act as liaison and champion for their concerns

## **How have your special responsibilities enabled the Council to be more effective?**

Providing strong leadership for the West of England transport which aligns all four local authorities and coordinates approach leading to efficiencies and increased effectiveness  
Single point of contact between the committee and department on all PTSE matters leads to less duplication and saves officers time while speeding up delivery  
By being a champion for all residents ensures policy is reflective of local need and is aligned as closely as possible to residents wishes

## **In what ways has the exercise of your special responsibilities supported the core objectives of the Council?**

By providing a stable growing economy with good cheap transport and sensible colocation of jobs and businesses reduces inequality by aiding high employment and the attractiveness of the area to outside investment  
By always having the interest of the residents first and foremost decisions can be taken to ensure value for money and preservation and enhancement of front line services as much as possible  
By planning for long term housing and business needs we can provide homes and jobs for new generations  
By attracting high tech companies into the area school leavers will have access to some of the best apprenticeships available right on their doorstep
