

# Are you ready to take your next step?

Future Bright offers free career coaching, training and support to progress at work and increase your pay. We've helped local people secure promotion, develop new skills and increase their income by around £400 per month.

## What is Future Bright?

This FREE service can help you with:

- Advice and support: a dedicated coach will help you create a personalised action plan to reach your goals.
- Developing skills: with help to access support and training, and look at ways to get more from your current role.
- Personal budgets: to help you pay for the training and equipment you need to progress.

All conversations are free, confidential and fit around your current commitments.

The service is managed by the West of England Combined Authority and delivered by your local council.

## Who is it for?

Future Bright is for residents in the West of England (Bath & North East Somerset, Bristol and South Gloucestershire), aged 19 and over who are in paid work and receive benefits or tax credits.
