

Warmley Forest Park Visitor Centre

Information and guidance

Please leave the centre clean and tidy after your visit

Remember to take your rubbish with you – there is no rubbish collection from the visitor centre. Do not leave it in the kitchen bin or outside the building

Toilet roll, paper towels, soap and cleaning materials can be found in the kitchen cupboards. If they are running low please let us know by emailing CommunitySpaces@southglos.gov.uk or by calling our Contact Centre on 01454 868000.

The boiler is on a timer. Instructions for use are in the drawer nearest the boiler. Please leave it on timer when you vacate the building

Please ensure that access to the car park and visitor centre is controlled during your visit. As the key holder you are responsible for ensuring that there is no unauthorised access

When bringing vehicles onto site please keep to the 5 mile per hour speed limit. Be aware of pedestrians, including small children who may have little or no traffic awareness, and dogs that may not be on leads.

Please ensure that the car park and visitor centre are left secure after your visit and that the alarm is reset when you vacate the building

Please report any problems with the building to CommunitySpaces@southglos.gov.uk or by ringing our Contact Centre on 01454 868000.
