

## **South Gloucestershire Welfare Grant Policy.**

Policy Created: 1<sup>st</sup> April 2016

Policy last reviewed: 8th June 2018

### **Purpose of the Scheme**

- 1.1 The revised scheme was introduced on 1<sup>st</sup> April 2016 following the decision of Councillors to award £200,000 per annum inclusive of administration costs to continue with a Welfare Grant scheme. The scheme will remain under the administration of the South Gloucestershire Council's Revenues, Benefits and Welfare Teams. No new legal duties are placed on local authorities to provide support or assistance; therefore the scheme and funding are reviewed annually.
- 1.2 The purpose of this policy is to specify how South Gloucestershire Council operates this scheme and to outline the factors considered when deciding if a grant can be made.
- 1.3 The scheme is aimed at helping the disadvantaged or those that are in immediate crisis to obtain grants to help in the event of unforeseen circumstances or disaster.
- 1.4 The scheme will ensure high quality decision making within agreed service levels.
- 1.5 The policy will treat each applicant fairly and equitably with full consideration given to individual circumstances. Wherever possible, the scheme will seek alternative avenues of funding, which will help protect funds for people most in need.
- 1.6 In each case, consideration will be given to the nature, extent, impact and urgency of the need.
- 1.7 The scheme will meet the needs of the most vulnerable residents, in accordance with the council's equality and child poverty duties.
- 1.8 In addition to receiving applications from applicants and their representatives, the scheme will endeavour to use measures to identify and target support to people most in need. This may be supplemented by targeted campaigns and outreach activities.

### **Targeted Scenarios for Support**

6.3 In the event that a prepaid card is not spent with 3 days of validation, any remaining balance will be returned to the scheme so that the funds can be redistributed to future applicants, as an award of this nature is deemed to be urgent and is expected to be spent within a short period of time.

6.4. In the event that our suppliers are unable to deliver goods within 4 weeks of validation due the applicant's actions, these items will be cancelled. The funding attributed to these goods will be returned to the scheme, as an award of this nature is expected to be delivered within the prescribed timescale.

## Misuse or Fraud

7.1 The scheme may determine that it is appropriate for some or all of your award to be issued on a prepaid card. In the event that you are issued with a prepaid card

under the scheme and you spend this on items other than that for which it was awarded, or otherwise misuse the card, this element of your award will be cancelled and you may be prohibited from making any future application under the scheme.

- 7.2 Examples of the misuse of a prepaid card would include those items listed in the Appendix at the end of this policy.

## **Rights of Appeal**

- 8.1 The applicant or their authorised representative will have the right to request that the decision be reviewed and may do this by email or by attending a Council One Stop Shop site to lodge their appeal.

- 8.2 Reasons for appealing a decision could include:

- A welfare Grant application has been refused
- The applicant is dissatisfied with the payment method or to whom it has been awarded
- The applicant is dissatisfied with the amount of award
- The applicant does not consider that their award should have been cancelled under paragraph 6 (Award) or 7 (Misuse or Fraud) above.

- 8.3 Under the scheme there is a structured process that enables applicants to appeal where they are dissatisfied with a decision. As part of this process, applicants may be required to provide us with further evidence and/or information to support their appeal.

- 8.4 The appeal has two stages:

Stage 1: An applicant must make a written or verbal appeal within seven calendar days of the original decision. The appeal should clearly state why the original decision is unfair or incorrect. The appeal will be reviewed by a Senior Officer within 14 calendar days of receipt.

Stage 2: An applicant must make a written appeal within seven calendar days of the Stage 1 appeal decision. The appeal should clearly state why the original decision is unfair or incorrect. The Stage 2 appeal will be dealt with by the Council's Discretionary Appeals Panel (DAP). The DAP decision will be determined within 21 calendar days.

There is no further right of appeal beyond Stage 2.

We do not reimburse any costs associated with an appeal.

## **Financial Constraints and Controls**

- 9.1 South Gloucestershire Council's funding arrangements will be cash limited having taken into account historic data available on past social fund payments.
- 9.2 The Council, as part of its budget setting, approves an annual budget to fund welfare grants. Any underspend on these monies at the end of the financial year is returned to Council balances for reallocation.
- 9.3 Noting that annual funding is finite; regular monitoring of the scheme will be undertaken. In the event of a local emergency (for example flood or fire) affecting several households, the council reserves the right to review funds.
- 9.4 Financial management will be undertaken on a monthly basis and normal council financial reporting requirements will be met, with awards being decided in light of resources and the options available.
- 9.5 Funds will be allocated on a monthly basis and if the limit has been reached for a given monthly period then no further awards will be made during that period.
- 9.6 An efficient and effective solution will be implemented which provides detailed and robust management information to allow continuous monitoring and real time information in relation to:
- methods of payment
  - projected allocation of funds
  - awards made
  - equalities data
  - speed of awards and appeals
- 9.7 The policy will aim to deter fraudulent claims and false statements ensuring appropriate controls are in place and swift action is taken where necessary. Consideration will also be given to reducing the potential for duplicate applications within neighbouring authorities. The service will liaise with internal and external organisations as appropriate, in order to minimise fraud. Such measures will in turn maximise the limited funding available for those most in need.
