Notes

- [1] A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.
- [2] A communal establishment is an establishment providing managed residential accommodation. 'Managed' in this context means full-time or part-time supervision of the accommodation.
- [3] Schoolchildren and students in full-time education studying away from their family home are treated as usually resident at their term-time address. Students are shown as a percentage of the total population living in the area.
- [4] A long-term health problem or disability that limits a person's day-to-day activities, and has lasted, or is expected to last, at least 12 months. This includes problems that are related to old age.
- [5] A person is a provider of unpaid care if they look after or give help or support to family members, friends, neighbours or others because of long-term physical or mental ill health or disability, or problems related to old age.
- [6] A person aged 16 to 74 is described as economically active if, in the week before the census, they were: (i) in employment, as an employee or self-employed; (ii) not in employment, but were seeking work and ready to start work within two weeks, or (iii) not in employment, but waiting to start a job already obtained and available.
- [7] A person aged 16 to 74 is described as economically inactive if, in the week before the census, they were not in employment but did not meet the criteria to be classified as 'Unemployed'. This includes a person looking for work but not available to start work within two weeks, as well as anyone not looking for work, or unable to work.
- [8] Level 1 qualifications: 1-4 O Levels/CSE/GCSEs (any grades), NVQ level 1, Foundation GNVQ.
Level 2 qualifications: 5+ O Level (Passes)/CSEs (Grade 1)/GCSEs (Grades A*-C), School Certificate, 1 A Level/ 2-3 AS Levels/VCEs, NVQ level 2, Intermediate GNVQ, City and Guilds Craft, BTEC First/General Diploma, RSA Diploma Apprenticeship.
Level 3 qualifications: 2+ A Levels/VCEs, 4+ AS Levels, Higher School Certificate, Progression/Advanced Diploma, NVQ Level 3, Advanced GNVQ, City and Guilds Advanced Craft, ONC, OND, BTEC National, RSA Advanced Diploma.
Level 4+ qualifications: Degree, Higher Degree, NVQ Level 4-5, HNC, HND, RSA Higher Diploma, BTEC Higher level, Foundation degree (NI), Professional qualifications (for example teaching, nursing, accountancy).
Other qualifications: Vocational/Work-related Qualifications, Foreign Qualifications (Not stated/ level unknown).
- [9] A dwelling is a unit of accommodation in which all rooms - including the kitchen, bathroom and toilet - are behind a door that only that household can use. A dwelling may comprise one or more household spaces (the accommodation used or available for use by an individual household).
- [10] A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.
- [11] The Census asked respondents to identify who their landlord is and the results reflect the responses they gave. In the past decade many local authorities have transferred the management of their housing stock to other social landlords. Individuals responding to the Census will report their understanding of their landlord and this may not reflect the actual management arrangements in all cases.
- [12] Occupancy rating provides a measure of whether a household's accommodation is overcrowded or under occupied. There are two measures of occupancy rating, one based on the number of rooms in a household's accommodation, and one based on the number of bedrooms. The ages of the household members and their relationships to each other are used to derive the number of rooms/bedrooms they require. An occupancy rating of -1 implies that a household has one fewer room/bedroom than required, whereas +1 implies that they have one more room/bedroom than required.
- [13] A dependent child is a person aged 0 – 15 in a household or aged 16 –18 in full-time education and living in a family with his or her parent(s).
