## Notes

All data is derived from the 2001 and 2011 Census. Source: Office for National Statistics © Crown Copyright, 2013.

### Age Structure

2001 Census data derived from profile ref POP1-13. 2011 Census data derived from table KS101EW.

A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

### Average household size

2001 Census data derived from profile ref TENURE 1+POP12. 2011 Census data derived from table KS101EW+KS402EW.

Calculated by dividing the number of residents living in households by the number of occupied households.

### Household structure: Household type

2001 Census data derived from profile ref HSPACE 1-7. 2011 Census data derived from table KS401EW.

'Terraced': Includes end terrace.

'Flat': Includes maisonette or apartment, purpose built block of flats, part of a converted or shared house (including bed-sits), In commercial building, Caravan or other mobile or temporary structure.

'Caravan': Includes caravan or other mobile or temporary structure.

### Household structure: Household tenure.

2001 Census data derived from profile ref. TENURE 1-8. 2011 Census data derived from table KS402EW

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

**Owner occupied:** Includes, Owned outright, owned with a mortgage or loan, in shared ownership(e.g. pays part rent and part mortgage)

**Social rented:** Includes rented from Council and rented from housing association / Registered Social Landlord

**Private rented:** Included rented from private landlord or letting agency and rented from other.

**Living rent free / other:** Includes employer of a household member and relative or friend of a household member and living rent free.

### Household tenure (2011)

## Notes

All data is derived from the 2001 and 2011 Census. Source: Office for National Statistics © Crown Copyright, 2013.

### Age Structure

2001 Census data derived from profile ref POP1-13. 2011 Census data derived from table KS101EW.

A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

### Average household size

2001 Census data derived from profile ref TENURE 1+POP12. 2011 Census data derived from table KS101EW+KS402EW.

Calculated by dividing the number of residents living in households by the number of occupied households.

### Household structure: Household type

2001 Census data derived from profile ref HSPACE 1-7. 2011 Census data derived from table KS401EW.

'Terraced': Includes end terrace.

'Flat': Includes maisonette or apartment, purpose built block of flats, part of a converted or shared house (including bed-sits), In commercial building, Caravan or other mobile or temporary structure.

'Caravan': Includes caravan or other mobile or temporary structure.

### Household structure: Household tenure.

2001 Census data derived from profile ref. TENURE 1-8. 2011 Census data derived from table KS402EW

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

**Owner occupied:** Includes, Owned outright, owned with a mortgage or loan, in shared ownership(e.g. pays part rent and part mortgage)

**Social rented:** Includes rented from Council and rented from housing association / Registered Social Landlord

**Private rented:** Included rented from private landlord or letting agency and rented from other.

**Living rent free / other:** Includes employer of a household member and relative or friend of a household member and living rent free.

### Age Structure

2001 Census data derived from profile ref POP1-13. 2011 Census data derived from table KS101EW.

A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

### Average household size

2001 Census data derived from profile ref TENURE 1+POP12. 2011 Census data derived from table KS101EW+KS402EW.

Calculated by dividing the number of residents living in households by the number of occupied households.

### Household structure: Household type

2001 Census data derived from profile ref HSPACE 1-7. 2011 Census data derived from table KS401EW.

'Terraced': Includes end terrace.

'Flat': Includes maisonette or apartment, purpose built block of flats, part of a converted or shared house (including bed-sits), In commercial building, Caravan or other mobile or temporary structure.

'Caravan': Includes caravan or other mobile or temporary structure.

### Household structure: Household tenure.

2001 Census data derived from profile ref. TENURE 1-8. 2011 Census data derived from table KS402EW

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

### Tenure change 2001-11

### Household tenure (2011)

## Notes

All data is derived from the 2001 and 2011 Census. Source: Office for National Statistics © Crown Copyright, 2013.

### Age Structure

2001 Census data derived from profile ref POP1-13. 2011 Census data derived from table KS101EW.

A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

### Average household size

2001 Census data derived from profile ref TENURE 1+POP12. 2011 Census data derived from table KS101EW+KS402EW.

Calculated by dividing the number of residents living in households by the number of occupied households.

### Household structure: Household type

2001 Census data derived from profile ref HSPACE 1-7. 2011 Census data derived from table KS401EW.

'Terraced': Includes end terrace.

'Flat': Includes maisonette or apartment, purpose built block of flats, part of a converted or shared house (including bed-sits), In commercial building, Caravan or other mobile or temporary structure.

'Caravan': Includes caravan or other mobile or temporary structure.

### Household structure: Household tenure.

2001 Census data derived from profile ref. TENURE 1-8. 2011 Census data derived from table KS402EW

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

**Owner occupied:** Includes, Owned outright, owned with a mortgage or loan, in shared ownership(e.g. pays part rent and part mortgage)

**Social rented:** Includes rented from Council and rented from housing association / Registered Social Landlord

**Private rented:** Included rented from private landlord or letting agency and rented from other.

**Living rent free / other:** Includes employer of a household member and relative or friend of a household member and living rent free.

### Household tenure (2011)

## Notes

All data is derived from the 2001 and 2011 Census. Source: Office for National Statistics © Crown Copyright, 2013.

### Age Structure

2001 Census data derived from profile ref POP1-13. 2011 Census data derived from table KS101EW.

A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

### Average household size

2001 Census data derived from profile ref TENURE 1+POP12. 2011 Census data derived from table KS101EW+KS402EW.

Calculated by dividing the number of residents living in households by the number of occupied households.

### Household structure: Household type

2001 Census data derived from profile ref HSPACE 1-7. 2011 Census data derived from table KS401EW.

'Terraced': Includes end terrace.

'Flat': Includes maisonette or apartment, purpose built block of flats, part of a converted or shared house (including bed-sits), In commercial building, Caravan or other mobile or temporary structure.

'Caravan': Includes caravan or other mobile or temporary structure.

### Household structure: Household tenure.

2001 Census data derived from profile ref. TENURE 1-8. 2011 Census data derived from table KS402EW

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

**Owner occupied:** Includes, Owned outright, owned with a mortgage or loan, in shared ownership(e.g. pays part rent and part mortgage)

**Social rented:** Includes rented from Council and rented from housing association / Registered Social Landlord

**Private rented:** Included rented from private landlord or letting agency and rented from other.

**Living rent free / other:** Includes employer of a household member and relative or friend of a household member and living rent free.

### Household tenure (2011)

## Notes

All data is derived from the 2001 and 2011 Census. Source: Office for National Statistics © Crown Copyright, 2013.

### Age Structure

2001 Census data derived from profile ref POP1-13. 2011 Census data derived from table KS101EW.

A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

### Average household size

2001 Census data derived from profile ref TENURE 1+POP12. 2011 Census data derived from table KS101EW+KS402EW.

Calculated by dividing the number of residents living in households by the number of occupied households.

### Household structure: Household type

2001 Census data derived from profile ref HSPACE 1-7. 2011 Census data derived from table KS401EW.

'Terraced': Includes end terrace.

'Flat': Includes maisonette or apartment, purpose built block of flats, part of a converted or shared house (including bed-sits), In commercial building, Caravan or other mobile or temporary structure.

'Caravan': Includes caravan or other mobile or temporary structure.

### Household structure: Household tenure.

2001 Census data derived from profile ref. TENURE 1-8. 2011 Census data derived from table KS402EW

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

**Owner occupied:** Includes, Owned outright, owned with a mortgage or loan, in shared ownership(e.g. pays part rent and part mortgage)

**Social rented:** Includes rented from Council and rented from housing association / Registered Social Landlord

**Private rented:** Included rented from private landlord or letting agency and rented from other.

**Living rent free / other:** Includes employer of a household member and relative or friend of a household member and living rent free.

### Tenure change 2001-11

### Household tenure (2011)

## Notes

All data is derived from the 2001 and 2011 Census. Source: Office for National Statistics © Crown Copyright, 2013.

### Age Structure

2001 Census data derived from profile ref POP1-13. 2011 Census data derived from table KS101EW.

A usual resident of the UK is anyone who, on census day, was in the UK and had stayed or intended to stay in the UK for a period of 12 months or more, or had a permanent UK address and was outside the UK and intended to be outside the UK for less than 12 months.

### Average household size

2001 Census data derived from profile ref TENURE 1+POP12. 2011 Census data derived from table KS101EW+KS402EW.

Calculated by dividing the number of residents living in households by the number of occupied households.

### Household structure: Household type

2001 Census data derived from profile ref HSPACE 1-7. 2011 Census data derived from table KS401EW.

'Terraced': Includes end terrace.

'Flat': Includes maisonette or apartment, purpose built block of flats, part of a converted or shared house (including bed-sits), In commercial building, Caravan or other mobile or temporary structure.

'Caravan': Includes caravan or other mobile or temporary structure.

### Household structure: Household tenure.

2001 Census data derived from profile ref. TENURE 1-8. 2011 Census data derived from table KS402EW

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

**Owner occupied:** Includes, Owned outright, owned with a mortgage or loan, in shared ownership(e.g. pays part rent and part mortgage)

**Social rented:** Includes rented from Council and rented from housing association / Registered Social Landlord

**Private rented:** Included rented from private landlord or letting agency and rented from other.

**Living rent free / other:** Includes employer of a household member and relative or friend of a household member and living rent free.
